**NOTICE THAT YOU MAY BE RESPONSIBLE FOR MEDICAL COSTS IN THE EVENT OF
FAILURE TO PROSECUTE, OR IF COMPENSATION CLAIM IS DISALLOWED, OR IF
AGREEMENT PURSUANT TO WCL §32 IS APPROVED**

You may become responsible for the medical costs of treatment for your illness or condition with the provider listed below if (1) you fail to prosecute the claim for workers' compensation or (2) it is determined by the Workers' Compensation Board that the illness or condition which required treatment was not a result of a compensable workplace accident or occupational disease or (3) if an agreement is executed by you and approved pursuant to Workers' Compensation Law §32 in which you waive your right to medical benefits from the workers' compensation carrier/self-insured employer for treatment/services performed after the date the agreement is approved. If any of the above events occurs, the provider may bill you directly instead of the employer or insurance carrier, and you will be responsible for the provider's fees for services rendered.

I hereby acknowledge that I have read the above and understand the circumstances under which I may become responsible for payment.

TO THE CLAIMANT

Workers' Compensation Board Regulation 325-1.23 permits your doctor or therapist to request that you sign this A-9 notice. By signing this notice, you acknowledge your obligation to pay the provider's fees for the services you receive if it turns out that such fees are not legally required to be paid by your employer or its workers' compensation insurance carrier and if such fees are not covered by other insurance. The employer or carrier may not be required to pay the doctor's fees if, for example, you fail to file a claim for workers' compensation, or fail to notify your employer of your injury or illness, or fail to attend a Board hearing if your employer challenges your right to benefits. Even if you make all required efforts to prosecute your claim, the Workers' Compensation Board may still find that you are not entitled to benefits. In such cases, this notice advises your health provider that you acknowledge your personal liability for payment of his/her bills.

Workers' Compensation Law Section 32

The A-9 notice also covers instances in which a claimant with an existing valid workers' compensation case comes to an agreement with his/her employer or its insurance carrier settling his/her case in accordance with Section 32 of the Workers' Compensation Law. A Section 32 agreement may include a provision which relieves the employer or carrier of the liability to pay future medical bills associated with the case. Your health care provider may ask you to sign this A-9 notice to insure that you acknowledge your personal liability for payment of his/her bills if you have waived your right to future medical benefits under a Section 32 agreement.

If you have any questions, contact your attorney or licensed hearing representative, if you have one. You may also contact your local district office of the Workers' Compensation Board.

TO THE HEALTH CARE PROVIDER

This notice is meant to advise the workers' compensation claimant that he/she may be responsible for payment. Failure of the claimant to sign this form does not relieve the provider of the obligation to treat the claimant, nor does it negate the claimant's responsibility for payment.

Keep the original of this form for your records and give a copy to the claimant. **Do not file with the Workers' Compensation Board.** You will receive Notices of Decisions in which the compensability of a claim, authorization of treatment, or payment of medical bills is included. You will also be notified if the claimant submits a Section 32 Agreement with the Board for approval. Do not bill the claimant unless and until you receive a Board decision finding that 1) claimant failed to prosecute the claim, or 2) the claim is denied, or 3) the treatment is not causally related to the work injury, or 4) a Section 32 agreement relieving the carrier of liability for medical treatment is approved.

FINANCIAL POLICY

Thank you for choosing Orthopedic Associates of Long Island, LLP! We are committed the success of your medical treatment and care. For your convenience, we have answered a variety of commonly asked financial policy questions below. If you have any additional questions about any of these policies, please ask to speak with a Billing Specialist.

Which plans do you contract with?

Your physician/surgeon and their assistant(s) may not be an in-network provider with your health care insurance plan. Please check our website, www.oali.com, to check physician insurance participation and hospital affiliation. If you have any questions, you can contact our billing department to obtain details about your surgery or office visit including the estimated amount of money you may be responsible for paying.

When do I pay?

Payment is expected for all copays at the time of the visit. If you do not have insurance or you are covered by an insurance company with which we do not participate, all fees must be paid at the time of visit. We accept payment by cash, Check, VISA, Mastercard, American Express and Discover.

Do I need a referral?

If you have a managed care plan with which we are contracted, you may need a referral from your primary care physician. If we have not received a referral prior to your arrival at the office, there will be a telephone available for you to call your primary care physician to obtain it. If you are unable to obtain the referral at that time, you will be rescheduled or offered an opportunity to assume financial responsibility for the services provided that day.

What if my child needs to see the physician?

A parent or legal guardian must accompany patients who are minors on the patient's first visit. This accompanying adult is responsible for payment of the account. Any issues of payment resulting from separation or divorce documents must be resolved by the parents. We will hold the accompanying adult responsible for all charges unless specific arrangements have been made.

What is my financial responsibility for services?

Office Visits and Office Services

HMO & PPO plans that have a contract

If the services are covered by the plan: All applicable copays are due at the time of the office visit. We ask for immediate payment as soon as any deductible is known. If the services you receive are not covered by the plan, payment is expected in full at the time of the visit. You will be asked to sign a statement authorizing these services.

HMO with which we are not contracted

Payment in full for office visits, x-rays, injections, and all other charges is expected at the time of the office visit. We will provide the necessary information for you to complete and file your claim directly with the insurance company.

Point of Service Plan or Out of Network PPO

Payment for the copay and non-covered services is expected at the time of visit. We will file an insurance claim on your behalf. Coinsurance and deductibles will be billed after we receive payment from your carrier. All balances due will be payable upon receipt of our statement.

If you have regular Medicare as primary, but no secondary insurance, payment of your 20% coinsurance will be collected at the time of the visit. If Medicare is secondary, you will be billed for any patient responsibility after both insurances have processed.

Worker's Compensation

Prior to your visit, you will need to provide the accident date, claim number, employer information and insurance carrier information. If we have verified the claim with your carrier, no payment is necessary at the time of the visit. Please remember that if the claim is denied, the responsibility for the bill will be yours and payable at our usual and customary fees.

If we have verified the claim with the carrier, no payment is necessary at the time of the visit. Please remember that if the claim is denied, the responsibility for the bill will be yours and is payable at our usual and customary fees. **If a referral is needed from your private carrier, you must obtain one in the event that your no-fault carrier denies your claim.**

Commercial Insurance: Also known as indemnity, "regular" insurance, or has a percentage coverage (eg. "80/20% coverage".) We will file a claim to your insurance company as a courtesy. In the event of a denial of any part of the claim, you will need to pay this bill and deal with your insurance carrier directly.

School Insurance: You must submit the original form from the school's carrier. Please bring a copy of the form with you. If you do not have any other insurance, we will bill the school insurance directly. If you have other insurance, the school insurance is secondary and while we will file the claim with your school carrier, you are responsible for payment.

No Insurance (Self Pay)

Payment in full is due at the time of the visit. We will work with you to settle your account. Please ask to speak with our staff if you need assistance.

If your physician recommends surgery, you will have the opportunity to speak with his executive assistant. She will answer specific questions about the surgery scheduling process, discuss the paperwork and tests involved, and complete all pre-certification/authorization if your insurance company requires it. If you have a commercial plan or are self-pay, she may request a pre-surgical deposit.
