**May is National
Arthritis Month!**

Join us this **National Arthritis Month** as we raise awareness and provide hope for those living with joint pain. Our dedicated team of specialized orthopedic physicians is here to guide you toward a life free from arthritis, offering ***state-of-the-art joint replacement solutions tailored to your needs.***

At Orthopedic Associates of Long Island, we are committed to empowering individuals with arthritis by providing exceptional care and specialized expertise in joint replacement, also known as arthroplasty. Our compassionate team of orthopedic physicians understands the impact that arthritis can have on daily life, from hindering mobility to diminishing the overall quality of life, which is why we offer comprehensive and area-specific care, such as **hand arthritis, shoulder arthritis, and knee arthritis** treatment, to address personal needs and provide effective relief. **Contact us today to learn more about how our joint replacement and treatments can benefit you!**

Service Highlight

**What Do You Know About
OALI's Joint Replacement Services?**

At Orthopedic Associates of Long Island, we understand the impact of chronic joint pain on your daily life, and our goal is to provide personalized care that brings relief and restores your mobility. OALI takes pride in our team of highly skilled joint replacement surgeons who are renowned for their expertise in joint replacement, which includes procedures like **hip replacement, knee replacement, and shoulder replacement.** *With our team and state-of-the-art facilities, we are committed to improving your quality of life through joint replacement surgery.*

How We Differ:

1. **Expert Surgeons:** Our experienced orthopedic surgeons specialize in joint replacements, including hips, knees, and shoulder arthroplasty. Their extensive training and commitment to staying updated with the latest techniques ensure that you receive the highest level of care and optimal outcomes.
2. **Personalized Approach:** At OALI, we believe in treating you as an individual. Our orthopedic specialists thoroughly evaluate your medical history, conduct comprehensive examinations, and utilize advanced imaging technologies to create a treatment plan tailored to your specific needs and goals. Your unique concerns and aspirations guide our approach to joint replacement.
3. **Comprehensive Rehabilitation:** Successful joint replacement extends beyond the surgery itself. We prioritize your post-operative recovery by providing comprehensive rehabilitation services, including detailed post-operative instructions that outline how to care after your procedure. Our team of dedicated physical therapists and rehabilitation specialists will work closely with you, designing a personalized program to restore strength, mobility, and function, maximizing the benefits of your joint replacement.

The **PrecisionCare Ambulatory Surgery Center**, located in East Setauket, is the area's leading surgery center for total and partial joint replacement surgery. In the two years since the center has been open, our surgeons have completed hundreds of total and partial joint replacement surgeries. Utilizing state-of-the-art technologies, the PrecisionCare ASC gives OALI's patients and physicians the best option for the best outcomes in joint replacement.

At OALI, we are dedicated to delivering exceptional orthopedic care, helping you overcome joint pain, and regaining an active and fulfilling life.

Congratulations, St. Charles Hospital!

**ORTHOPEDIC ASSOCIATES
OF LONG ISLAND**

Healthgrades has announced its Outpatient Joint Replacement Specialty Excellence Award - awarded to 112 hospitals across the U.S., representing the top 10% in the nation, one of only SIX hospitals on New York, and the ONLY hospital on Long Island to be awarded this distinction.

www.OALI.com (631) 689-6698

OALI is proud to be affiliated with St. Charles Hospital - as it was just awarded **Healthgrades' Outpatient Joint Replacement Excellence Award**, which recognizes hospitals that deliver superior patient outcomes in outpatient knee replacement and outpatient hip replacement. Healthgrades awards tell you which hospitals deliver superior quality care by evaluating hospital performance and using objective quality measures, including clinical outcomes and patient safety, as well as patient experience.

Congratulations to St. Charles Hospital and all the OALI Joint Surgeons who helped earn this award!

Meet Our Doctors

John J. Brennan, MD

Sports Medicine, Joint Replacement

Dr. John J. Brennan specializes in the complete care of the shoulder, hip, and knee, with a particular emphasis on minimally invasive techniques. These techniques include arthroscopic repairs and the latest cutting-edge technology with small incision techniques.

Dr. Brennan sees patients at OALI's **East Setauket, Riverhead,** and **Southampton** office locations.

Anthony Cappellino, MD

Board Certified Orthopedic Surgery And Sports Medicine
Arthroscopy, Joint Replacement Surgery

Dr. Anthony Cappellino specializes in sports medicine and joint reconstruction, including minimally invasive procedures in anterior hip replacement, knee replacement, and shoulder replacement.

Dr. Cappellino has been Chairman of the Department of Orthopedics at Good Samaritan University Hospital since 2010 and is actively involved in training the Nassau University Medical Center orthopedic residents. Dr. Cappellino sees patients in our **West Babylon** office.

Jeffrey D. Hart, DO

Arthroscopy & Joint Replacement Surgery

At OALI, **Dr. Jeffrey D. Hart**, specializes in issues with hips, knees, and shoulders. He specializes in total hip replacements, partial and total knee replacements, and minimally invasive, advanced computer and robotic-assisted surgery. His surgical expertise also extends to shoulder and knee arthroscopy, as well as fracture care management and trauma surgery.

Alongside Dr. Douglas Petraco, Dr. Hart performed the hospital's first ambulatory total hip replacement. Dr. Hart sees patients at OALI's **East Setauket** and **Patchogue** locations.

Christopher M. Mileto, MD

Orthopedic Surgeon

Dr. Christopher M. Mileto, specializes in comprehensive musculoskeletal care, focusing on joint replacements for the hip, shoulder, and knee. Dr. Mileto uses minimally invasive muscle-sparing approaches for faster recovery and employs advanced technologies like robotic surgery and patient-specific instrumentation for optimal implant positioning.

Dr. Mileto sees patients at our **Commack**, **East Setauket**, and **Patchogue** locations.

Douglas Matthew Petraco, MD

American Board Orthopedic Surgery, Arthroscopy & Joint Replacement Surgery

Dr. Douglas M. Petraco specializes in joint replacement surgery of the hip and knee, offering the latest advanced techniques in joint replacement surgery.

As **Director of the Department of Orthopedics at St. Charles Hospital**, Dr. Petraco was instrumental in bringing MAKOplasty® robotic partial knee resurfacing to the hospital. This minimally invasive approach, combined with a patient-specific surgical plan, allows more accurate implant placement, resulting in a more natural feeling knee compared to a total knee replacement. Patients are typically discharged home from the hospital on the **same day** of surgery.

Dr. Petraco sees patients at our **East Setauket, Riverhead, and Wading River** locations.

How Did We Do?

We strive to offer the best care to each and every patient. Our success depends on the quality of patient care, and the only way to be sure of this is to hear from **YOU**, our patient.

"Professional and knowledgeable.
Clean and well run facility."
